CIVIL ACTION NO. 4:09-cv-02789

JURY DEMANDED

MOTION TO COMPEL

The Court has ordered a status conference for December 11, 2012. Defense counsel had requested a continuance, and this Court denied that request today. In order to do our homework for the hearing, we requested Defense counsel to supplement what Judge asked them to provide us previously. Defense counsel has refused. (See correspondence between counsel, Ex. A.) Instead of hitting the “print button” on their client’s computer, defense counsel wants us to interview the over 200 plaintiffs and then report back to them our findings. (Id.)

Plaintiffs request that Defendants supplement the discovery previously ordered by this Court so that we can do our homework for Judge and comply with this Court’s order.

Respectfully submitted,
